

*Fixx panel sistemi açık ofislerde kişisel konsantrasyonu sağlayan çalışma ortamları yaratır.
Fixx panel system creates work environments in open offices which also enable personal concentration.
Fixx panel sistemi takım çalışmasını teşvik eder.
Fixx panel system encourages team work.*

Farklı panel genişlik ve yükseklik ölçüleri her boyutta açık ofisin rasyonel bir şekilde kullanılmasını sağlar.
A variety of different panel widths and heights enable the rational use of open office spaces.

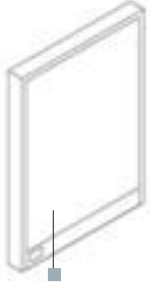

Panel yüzeylerinde kullanılan melamin, laminat, kumaş ve cam malzemeler çok geniş iç dekorasyon seçenekleri sağlar.
Material such as melamine, laminate, fabrics or glass used on the surfaces of panels provide wide alternatives for interior decoration.
