

İsmine tam uygun, üreyebilen modüler bir sistem. Tek çalışma masasından ikili, üçlü ve dördümlü çalışma gruplarına kadar değişik kombinasyonlar. Özellikle call-center tipi çalışma mekanları için ideal karşılıklı ve yan yana çalışma imkânı. Konsantrasyon panelleri ile kişisel ortam yaratma imkânı.

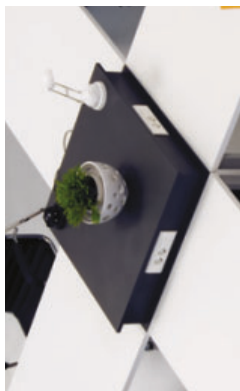

*A modular and expandable system suitable to its name. Various combinations are possible from the single desk to working groups for two, three and four. Especially ideal for call-centers with face-to-face and side-by-side working possibility. There is also the possibility to create a personal working area by using concentration panels.*
