

BÜROMODEL

plus

Değişik tabla biçimleri ile sonsuz zincirleme seçeneği Plus'ı modüler çalışma masası sistemlerine çok iyi bir örnek yapmaktadır.

*Plus is a perfect example to modular working desk systems with its characteristic of infinite linking possibility especially due to table forms.*

Keson ve dolap üzerinde kullanılabilen raf ünitesi ara panel görevi yapmanın yanı sıra değişik renk seçenekleri ile de ofislere hareket katar.

The shelf unit which can be used on top of the pedestal and cabinet is working as a separator and also adds activity to the offices by alternatively colour choices.

Çok yönlü tabla altı profil şasi sistemi; kablo kanalını, ön perdeyi ve CPU taşıyıcı ünitesini de taşımaktadır.  
*The multi-purpose table frame system is suitable to carry the cable channel, front panel and CPU holder.*

Geliş segmenek, geliştirilebilme ve esneklik Plus'ın içinde gelen özellikleriidir.

Masa ayakları stendinde yükseltilebilir veya aşağıya eğilebilir.  
A wide variety or alternatives, ability to expand and flexibility are the main properties of Plus Desk legs may be produced in the height adjustable version upon request.

Ofis mobilyaları üretim teknolojisinin ulaşımı için koltuk düzeyini iyi Plus'ta göğülemelemeğidir.  
The superior product quality which the office furniture production technology reached can be observed best in the Plus series.
